MEMBER NEWSLETTER | FEBRUARY 2026

GOPP

Better Business, Together.

FEATURED PARTNERS THIS MONTH:

Call us on (08) 9938 3999 for the latest supplier list

Photo credit: David Melling

A note from Wendy

What a ripper February it's been. Our spending competition saw strong support right across the GOPP Partner network, and it's been fantastic to see members putting their cards to work and keeping spend local. Thank you to everyone who jumped in. We'll be announcing our two $500 voucher winners on 16 March, so keep an eye out.

A big thank you to David Melling for this month's stunning cover image. The photo captures the Eradu Rail Bridge spanning the Greenough River, flowing beautifully after the recent rain from Ex-TC Mitchell. We're lucky to have such talented people sharing these local moments.

If you've captured a great Midwest shot, send it through to us for your chance to be featured and receive a $100 voucher.

The Horrocks Community Centre is raising funds to send much-needed hay to drought-affected farmers in the Upper Gascoyne. At $176 per 530kg big square bale, every contribution helps put feed in front of hungry cattle and support farming communities under real pressure. If you're in a position to help, even a small contribution makes a difference. See more details on how you can make a donation on Page 10.

Variety WA Midwest's *The Greatest Charity on Earth* Cocktail Party is also back for 2026, with ticket sales now live. This major fundraiser helps empower Midwest children to live without limits, and it's shaping up to be another fantastic night.

Finally, a quick reminder about Bunnings PowerPass. Many members already have access, but not everyone is using it. If you're shopping at Bunnings without your PowerPass, you could be leaving money on the table with discounts of up to 25%. Make sure it's linked and active before your next purchase. And if you don't have one yet, reach out to the team and we'll get you sorted.

Let's keep supporting local, backing each other, and doing better business across the Midwest.

Keep your fleet road ready with JMH Group 🚚

When it comes to heavy vehicles, safety and performance are not optional.

JMH Group is the only Heavy Equipment Maintenance provider in the Mid West offering comprehensive brake, suspension and weight distribution testing using advanced SafeTstop equipment.

This specialised testing helps identify critical repairs and maintenance issues before they become costly or dangerous, keeping your vehicles compliant and safer on WA roads.

What SafeTstop testing includes:
✅ Measuring brake force on each wheel
✅ Calculating brake imbalances that can impact emergency braking
✅ Detecting wheel alignment drag that leads to excessive tyre wear and higher fuel use
✅ Assessing shock absorber performance

For operators managing heavy vehicles across the region, this is a practical way to reduce risk, improve efficiency and protect your investment.

If your fleet is due for inspection, speak with the team at JMH Group to book in your testing and keep your vehicles performing at their best.

Help Us Send Hay to the Upper Gascoyne

Every Bale Makes a Difference

The Horrocks Community Centre is raising funds to send much-needed hay to drought-affected farmers.

If you're able to donate, any contribution — big or small — would be greatly appreciated.

Sponsor a Bale of Hay

1 Big Square Bale (approx. 530kg) = $176

You can sponsor a full bale or contribute any amount towards one.

Direct Deposit Details

Account Name: Horrocks Community Centre

BSB: 086 886

Account Number: 508 361 691

Reference: Your Name + HB (HB = Hay Bale)

Any questions, please email Sandy. treasurer@hcci.com.au

Together we can help put feed in front of hungry cattle and support our farming communities doing it tough.

Thank you for your generosity and community spirit.

Home and farm vet visits with MIDWEST VETERINARY CENTRE

Midwest Veterinary Centre's home and farm visits make vet care easier and less stressful for both pets and owners. By treating animals in their familiar environment, these visits help reduce anxiety, save time, and remove the hassle of carriers, car trips and waiting rooms. While an additional travel fee applies, many clients value the convenience and calmer experience it provides.

If you or someone you know is located along one of the scheduled routes, now is the time to book.

Appointments are limited and fill quickly, so early bookings are recommended.
