A note from Wendy

It's been a great start to the year, and it's encouraging to see members continuing to support local and make the most of their GOPP benefits. Our February spending competition is now live, and we're looking forward to seeing the support flowing through our partner network this month.

I'd also like to thank Ben Bennett for the stunning cover image featured this month, capturing the Aurora Australis from Devlin Pool here in Geraldton. If you have a great local shot you'd like to share, we'd love to see it. Members are encouraged to submit cover photo ideas to marketing@gopp.com.au for a chance to be featured in an upcoming edition.

Looking ahead, tickets are selling quickly for *The Greatest Charity on Earth*, a special evening supporting Variety Midwest, taking place on Saturday 21 March at Dongara Marine. The night will feature canapés and live music by the Royal Australian Navy Band – WA, set beneath the Geraldton skies. For more information see the flyer on page 13 or visit **https://bit.ly/VarietyGCOE**

Thank you, as always, for supporting local businesses and the wider Midwest community.

Thank you for your support over the years.
