A note from Nareve

It's been another busy month at GOPP, with plenty happening both in the office and out in the community!

Our team recently headed along to the **Dongara Field Day**, where we enjoyed catching up with locals, meeting new faces and spreading the word about how GOPP helps businesses save time, save money and shop local.

A big thanks to everyone who stopped for a chat, and congratulations to Russell Hansen from Kelpies for Kids on winning the raffle.

We're also still buzzing from September's Business After Hours event, which we proudly co-hosted with our partners **Think Water Mid West** and **ATOM**. It was a fantastic opportunity to bring local businesses together, make new connections and showcase the benefits of being part of the GOPP network.

Looking ahead, there are some great opportunities for local women in business, including the FREE **Traction Lab full-day workshop**, followed by the ticketed **Bold Company** event. Both take place this Saturday 7 November, so be sure to book your spot ASAP!

We're also pleased to welcome **Batavia Coast Dive** and **N & E Electrical** to our growing network of partners. Head over to the GOPP website to learn more about these businesses and the benefits available to members.

And finally, with Christmas just around the corner, why not give a fellow business owner the gift of saving time and money? Refer them to GOPP and, if they successfully join, we'll thank you with a $50 voucher.

Not bad for spreading a little Christmas cheer! 🎄🎁

GIVE A Miracle THIS Season

variety
the children's charity
Midwest

Dear GOPP member,

As a regional parent, I believe every child deserves to experience a joy filled Christmas. These moments are even more precious for Variety kids, like Cooper, from Geraldton who may otherwise miss out.

You can help light up a child's Christmas by sponsoring them to attend the Variety Midwest Kids Christmas Party today.

The party is an unforgettable day of fun where Midwest children living with disability, serious illness, or facing disadvantage get the chance to simply enjoy being a kid at the Geraldton Turf Club.

Over 200 children will enjoy an accessible event where they can spend quality time with their family, receive a toy of their own and be included in the Christmas cheer.

You can make this special day possible. Please donate $68 or whatever you can afford to sponsor a child and their parent to attend this year's party.

"Each year the Variety Christmas party is our most loved event that we really do look forward to. It's a wonderful event which has something for the whole family. We enjoy all of the activities, a visit from Santa and all of the delicious food. It's a safe space, where we also get to come together and connect with all the other special families in the region. Often we only catch up at this event so it's a great morning to spend mingling with everyone while enjoying everything on offer".
Cooper's Mum - Nicole.

Please give whatever you can afford, your donation will help ease the strain on a local family and make Christmas a time of joy.

With Christmas approaching, please act now and sponsor a child to attend the Variety Midwest Kids Christmas Party. Inform the GOPP team of your donation and it will be included on your next GOPP invoice.

Wishing you and your loved ones a Merry Christmas.

Yours sincerely,

Jan Ajduk
Regional Coordinator, Variety Midwest
