A note from Wendy

What a busy month it's been for the GOPP team!

We loved getting out and about at the Mullewa, Chapman Valley and Northampton Shows, catching up with familiar faces and meeting plenty of new ones along the way. A big thank you to everyone who stopped to say hello or tracked down our orange cart!

Congratulations to our three show prize winners, **Michaela Keeffe** at Mullewa, **Kaitlyn Devereux** at Chapman Valley and **Ben Clifton** at Northampton.

We also had a fantastic night co-hosting the Mid West Chamber of Commerce and Industry Business After Hours with GOPP partners **Think Water Mid West** and **ATOM**. It was a great opportunity to connect with local business owners and spread the word about how GOPP helps businesses save time, save money and shop local.

Know a business owner who isn't taking advantage of GOPP yet? Send them our way! They may have missed out on winning our YETI cooler on the night, but there are still plenty of reasons to join.

We were also proud to support **Smokin' Barrel Fest**, **Geraldton Open Studios & Surrounds** and the **Perenjori Show** through sponsorship this month. Being able to support events that bring people together and contribute to our region is something we're always pleased to be part of.

Most of all, thank you to our members, partners and wider community. Whether you stopped for a chat, attended an event, supported another local business or simply continued to make the most of your GOPP membership, we appreciate you.

It's been a big month, and a great reminder of what a fantastic community we have around us.

Geraldton Organised Primary Producers

The Future of Decking.

Ekodeck composite decking looks and feels the same as real timber, minus the maintenance. Made from reclaimed timber and recycled plastic, its naturally weather resistant and UV stabilized, which means no oiling, staining or painting.

Ekodeck+ Classic Range

Solid boards with a sanded finish

- ✓ 90% reclaimed and recycled materials
- ✓ R11 and P5 anti-slip rating
- ✓ Available in 3 colours
- ✓ 10-year warranty

Ekodeck+ Designer Series Range

Co-extruded with a Durashell coating

- ✓ Custom colour options to match most Dulux colours
- ✓ Custom made designs, sizes and styles
- ✓ Won't rust, rot or warp

Quickfix for Ekodeck+

Specially made concealed fixing system

- ✓ 30% faster to lay
- ✓ Automatically gaps boards
- ✓ Available in 3mm or 6mm board spacing
- ✓ Designed to suit timber or steel joists

Available at your local Bunnings

Give Your Idler Rollers a Second Life at Geraldton Rubber & Conveyor

Don't replace it — refurbish it!

GR&C refurbishes and relines idler rollers for agricultural and bulk-handling applications, providing a practical and cost-effective alternative to replacement.

Our 6-metre autoclave allows us to carry out quality rubber lining and refurbishment work locally, helping extend roller life and reduce unnecessary replacement costs.

With 150 years combined industry experience and servicing WA since 2012, our team understands the demands of grain handling and agricultural operations.

Bring your worn idler rollers to GR&C and let us see if we can give them a new lease on life.
